Come worship and serve and fellowship with the family of faith at St. John United Church of Christ! We are a diverse family of Christians which, through over 125 years of ministry, has grown into a strong faith community working together to fulfill God's call.

St. John United Church of Christ is an enthusiastic, active congregation focused on sharing God's love with the community. Every member has the opportunity to offer their personal gifts to the glory of God which enable us to reach out to others in ministry. We are active members of the Reading Church Council working toward ecumenical cooperation with the churches of Reading.

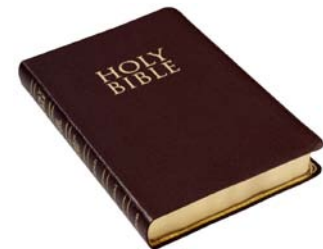

At St. John United Church of Christ we enjoy gathering together for worship, Christian nurture, fellowship, fun, and outreach. We walk together through times of crisis and sorrow as well as occasions for celebration. And we look forward to the Holy Spirit's continued revelation of God's plans for us.
